Sir;

Below is the copy of the letter sent to the electrical inspector of Dharwar P.W.D. for which he has not replied nor has acknowledged even after a fortnight. When the Govt. policy is to supply electricity even to villages it is regretable to find the Local Dharwar Electric Supply Co. Ltd. refusing to supply us with electricity even though we are entitled to it. I hope you will do the needful in the matter & oblige.

Copy of the letter sent to local electrical inspector, Dharwar P.W.D.

Sir;

I live in Sadhankeri, a locality where the Dharwar Electric Supply Co. can supply electricity as that area comes under its jurisdiction for electrification.

It from a certain locality more than

six connection are asked the company is required to comply with their requests.

Though more than six families applied for the electric installation for lighting purposes the company has utterly failed to supply them with the current. The applications have been made repeatedly yet without success.

It is to be noted that within the last two years the company has supplied the K.E. Board's college, the Agricultural College & the relay station at Galtari's Bungalow & A.I.R. with electricity though none of them were under its jurisdiction.

Now even though the company has spare power and enough material at its disposal it is not meeting our demands, for which we are entitled. I therefore request you to look into the matter & help us to get the electric light in our houses.

Yours sincerely
Sd. M. S. Kirloskar

34

If the electrical inspector cannot do anything can I at least proceed the contractor for not fulfilling its obligations?

Yours faithfully

M. S. Kulkarni

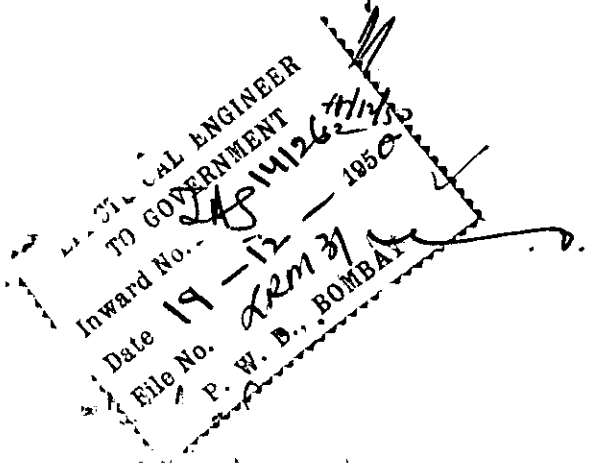
to El. Engr. to Q.M. & 18-12-53



Below U.O.R.No.S.92/99736 dated the 18th December 1950, from Government in the Public Works Department.

No. LRM.26/14287 of 1950-51.

Bombay, 24th February 1951.

Returned, with compliments.

2. The complaint has been investigated and it was observed that Dr.M.S.Kirloskar, along with other 10 persons, has only put in a joint application to the Supply Company for electric supply in their houses at Sadhankeri in the month of October 1949, when the Supply Company informed them verbally that, as soon as certain works which are on hand are completed, necessary service connection will be given.

3. The places where the electric supply is required by Dr.M.S.Kirloskar and others, except one Shri R.N.Nadgir, are within the area of supply of the Dharwar Electric Supply Co., Ltd., and thus their demand for electric supply is covered by clause V of the Schedule to the Indian Electricity Act, 1910. Dr.Kirloskar has again reiterated his demand for electricity and states that six persons are willing to take electric supply in his locality.

4. The Supply Company, on being contacted, has expressed its willingness to give supply to these applicants. In order, however, to make it binding on the Supply Company to lay the distributor for the purpose of giving supply to Dr.Kirloskar and others, the parties concerned may be advised to serve a regular requisition in the prescribed form on the Supply Company and to follow the procedure laid down in clause V of the Schedule to the Indian Electricity Act, 1910.

Subject: Complaint against Dharwar Electric Supply Co., Ltd.

Dear Sir,

I am directed to refer to your letter dated the 2-12-50 on the above subject and to state that on enquiries made in the matter, it is understood that you along with ten other persons have put in a joint application to the Supply Coy. for electric supply at Saathankeri, but have not served a regular requisition in the prescribed form on the Supply Company. In order to make it binding on the Supply Coy. to lay the distributor for the purpose of giving supply to you & others I am to advise you to serve a regular requisition in the prescribed form

on the subject Cay: and to follow the procedure laid down in clause V of the Schedule to the I.E. Act 1910.
